Leadership Expedition
the challenge of a lifetime

July 16-26, 2009

challenge Yourself

Tired of playing religion?

Want something real?

Want to make a difference in the world?

If you're up to the challenge, give us 10 days. **You won't believe what you can do!**

challenge Your Body

Strength of mind and body go together. We'll test your limits — and then some. But we'll also challenge you to a radical integrity — that's a challenge you'll never get from the world.

Hear it for yourself...

"LE is an experience that changed my life, gave me purpose and passion, gave me a definition of training mind & spirit & body, and taught me what leadership really is."

Age 19, Weatherford, TX

"You are in for a life-changing experience that will rock your world, your perspective and change your entire way of thinking."

Age 17, North Richland Hills, TX

"Expect God to work in you, on you and through you. Expect to have a life-changing experience that you will never forget."

Age 20, Cedar Hill, TX

"My deep desire and hope is that I shall never fail in my duty, but that at all times, especially right now, I shall be full of courage, so that with my whole being I shall bring honor to Christ, whether I live or die."

Philippians 1:20

challenge Your Faith

Got a hunger and passion for God?

We'll teach you how to channel that into your own destiny! You'll reach new levels of commitment and dedication and learn things you never dreamed possible.

Give us 10 days. We'll give you all you can handle. We'll give you ourselves. We'll give you our God. Our job is to impart a vision, teach you, equip you, and connect you with other men just like you. Then we'll turn you loose and **the world will never be the same!**

Classes are interactive. Work projects help you apply what you're learning. You'll discover discipline of the body, mind and spirit. Adventure activities, sports and special situations training will push you to your limits.

are You ready?

challenge Your Mind

Don't be intimidated by the world's philosophers. You have the mind of Christ — you're operating with a revelation of truth incarnate. **They don't have a chance!**

but if it was easy...
ANYONE
could do it!
